

# FARLISH

DISPOSABLE WOODEN UTENSILS  
CATALOGUE

# PREMIUM WOODEN UTENSILS

A heavy-duty and eco-friendly alternative to disposable plastic cutlery.

Experience the functionality and reliable strength of traditional utensils, without any plastic.

## FARLISH

# Why Disposable?

## VERSATILITY

Our biodegradable utensils are ideal for:

- New homes
- Picnics
- Restaurants
- Catering
- Food trucks
- Travel
- Construction Sites
- Custom orders
- Company events
- Meals on the go
- And so much more

FARLISH

# Why Birchwood?

## ECO-FRIENDLY

Our birchwood tableware sets are:

- Splinter-free
- Free from harmful chemicals
- FSC Certified
- Compostable
- Smooth and Polished
- Sharp and Sturdy

The sleek and minimal design provides a more sophisticated alternative to disposable plastic utensils.

These utensils are perfect for enjoying any type of food.

Offering the same functionality and reliable strength as traditional cutlery.

FARLISH

# Why Farlish Utensils?

Imagine hosting a party or picnic where you can enjoy delicious food without the guilt of harming the environment.

That's exactly what Farlish offers with its eco-friendly disposable wooden cutlery.

**At Farlish, we pride ourselves on offering sustainable goods that are crafted from natural materials.**

Our team is made up of passionate individuals who are committed to creating products that are both eco-friendly and aesthetically pleasing.

Let us help you bring a touch of nature and sustainability to your everyday life.
